# Our Resourcing Assurance

Our personnel are focused on specific technology areas and business domains. Their experience, Market knowledge and track record mean that you can trust them to make the resourcing process as simple and hassle-free as possible.

JKCS has worked with large multinationals as well as SMEs and start-ups. Satisfaction in the services provided by us have resulted in these relationships being maintained over many years. Our customers continue to work with us time and again to fulfill their resourcing needs.

JKCS has been accredited with CMM Level 3 and ISO 9001:2008 certification.

A consultative approach as we believe and practice is essential in ensuring that our IT personnel understand your business as well as your staffing needs. We are keen to develop a solution that will contribute to you achieving your organisational goals and meeting your own customer demands to the best capacity. The high standards we maintain in the recruitment process are reflected at every level of the business. We aim to ensure complete achievement of customer satisfaction.

Call us today for a consultation on how we can be of service to you.
